

SEE THE ACTION at WOC 2017

Broadcasting new products
and industry news.

January 17-20, 2017
World of Concrete

Whether you attend World of Concrete in Las Vegas or can't make the trip, tune into ForConstructionPros.com/Concrete for show news, event coverage, and must-see products and exhibitors.

Watch the broadcast videos each day on ForConstructionPros.com/Concrete for continuous coverage before, during and after the show.

If you're at the show, stop by **booth C4129** and watch the video production, meet the editors and hear up-to-the minute news from the show floor.
